

March, 2010,

Dear <project name> Participant,

Thank you for using <project materials>.

We would like to use your feedback to help us improve <project name> materials. Staff from TERC or staff from < project evaluators>, will ask you about <project name>. We will audiotape or take notes to help us remember what you say. We will not share our notes or audiotape outside of <project evaluators> or TERC.

We may use your feedback in reports shared with other educators. We will not use your name or the name of your library.

You may choose whether to be audiotaped. Please sign and return this form to let us know your choice. If you have questions, call <project contact> at <#> You may also call <IRB contact> of TERC's research oversight board, at <#>.

TERC is a non-profit math and science education company in Cambridge, MA. The National Science Foundation funds the project.

We appreciate your support.  
Sincerely,

<Project staff>

---

You may include my feedback in reports about <project name>. You will not use my name or the name of my library. You may audiotape me or take written notes to help remember what I say.

Yes.

No.
