-
- ① Time considerations
 - ② Monitoring will go back to 2006.
 - ③ Summative evaluations need to be posted on informal-science.org ← ?
 - ④ Dissemination is expected
 - ⑤ Can evaluation protocols/instruments be posted? ← ?

^{Youth + Community}
⑥ Some guidelines for what should be posted in the summative evaluation on informal science.org would be helpful. e.g. tools/resource pre/post test/survey, interview/observation prot.

⑦ IRB reviews are required

⑧ Need basic guidelines for IRB process.

⑨ Place IRB forms on the CAISE website.

⑨ Provide ^{Youth + community} IRB ③
training w/ an on-line
tutorial

⑩ Share permission
forms & formats

⑪ Local universities can
be a good resource

⑫ Consider an evaluation
of multiple youth programs
if applicable

⑬ Is there flexibility
with the reporting?
Can PIs determine the schedule?

Youth + community

(14) Unwritten rule: (4)
Summative evaluator
should be external to
the project

(15) Need an option within
ISE for major longitudinal
evaluation studies (10 yrs)

(16) ISE needs a long term
research option

(17) Frameworks do not
address equity issues
