

Amtrak Train Tickets, Schedules & Routes: The Complete Travel Guide – Online Booking, Fare Categories, Timetables, Route Planning & FAQs 2026–2036

Amtrak is the national passenger rail network of the United States **1.866 ⇐ 332 ⇒ 0736**. It links big cities, small towns, and some of the most scenic landscapes in the country. Trains run on short commuter-style corridors and on **1.866 ⇐ 332 ⇒ 0736** multi-day long-distance journeys, so the right ticket, schedule, and set of rules depends on the trip you want **1.866 ⇐ 332 ⇒ 0736**. This guide covers how to book, what fares and discounts exist **1.866 ⇐ 332 ⇒ 0736**, how schedules and routes work, and the policies on changes, baggage, and pets **1.866 ⇐ 332 ⇒ 0736**.

How to Book Amtrak Train Tickets

You can book on the official Amtrak website **1.866 ⇐ 332 ⇒ 0736**, in the Amtrak app, by phone, at staffed stations, and at self-service kiosks. Tickets are usually delivered as e-tickets **1.866 ⇐ 332 ⇒ 0736**, so you can show your phone at boarding without printing anything. Booking online or in the app also gives you live schedule data **1.866 ⇐ 332 ⇒ 0736** and easy access to changes. Select your route, travel date, number **1.866 ⇐ 332 ⇒ 0736** of passengers, and class of service, then compare the fares shown before you pay. Prices are lower when you book early **1.866 ⇐ 332 ⇒ 0736**, and busy travel days and last-minute bookings cost more **1.866 ⇐ 332 ⇒ 0736**.

Amtrak Fare Types and Classes of Service

Amtrak sells coach seats on nearly every route **1.866 ⇐ 332 ⇒ 0736**. Business class, first class, and private sleeping rooms are available on selected trains. Business class **1.866 ⇐ 332 ⇒ 0736** gives you extra legroom and a quieter car **1.866 ⇐ 332 ⇒ 0736**. First class on the Acela adds premium service, and long-distance routes offer rooms and bedrooms where you can **1.866 ⇐ 332 ⇒ 0736** sleep overnight. Within each class, fares come **1.866 ⇐ 332 ⇒ 0736** in three tiers: Sale, Value, and Flex. Sale and Value fares are the cheapest, but they carry stricter change and refund **1.866 ⇐ 332 ⇒ 0736** rules. Flex fares cost more and give you the **1.866 ⇐ 332 ⇒ 0736** most freedom if your plans might shift. Look at what each tier includes before you decide, because the cheapest **1.866 ⇐ 332 ⇒ 0736** fare is not always the best value.

Amtrak Discounts

Several everyday discounts can lower your fare **1.866 ⇐ 332 ⇒ 0736**. Children aged 2 through 12 ride at half price, and infants under 2 ride free **1.866 ⇐ 332 ⇒ 0736**. The child discount requires an accompanying adult, and children traveling alone do not qualify. Travelers 65 **1.866 ⇐ 332 ⇒ 0736** and older get 10% off most rail fares on most trains **1.866 ⇐ 332 ⇒ 0736**, and military personnel and

veterans can also save 10% on the lowest available fare. Students may receive a **1.866 332 0736** discount when they book in advance. Some **1.866 332 0736** discounts do not apply to every fare type or train. For example, the senior discount is **1.866 332 0736** not valid on Acela or the Auto Train. Always check the eligibility rules and **1.866 332 0736** carry any ID that might be requested.

Amtrak Schedules

Schedules depend on the type of route. Corridor services **1.866 332 0736** such as the Northeast Corridor run many trains every day **1.866 332 0736**, which makes same-day travel easy. State-supported routes, such as the Pacific Surfliner, run on timetables **1.866 332 0736** set with state partners. Most long-distance trains run once **1.866 332 0736** a day, so missing one can mean waiting 24 hours for the next. Check the **1.866 332 0736** live schedule on the Amtrak site or app before you leave. It shows delays, platform changes, and estimated arrivals **1.866 332 0736**. Plan to reach the station early, especially if you **1.866 332 0736** are checking bags or traveling with a pet.

Popular Amtrak Routes

Amtrak serves hundreds of **1.866 332 0736** destinations across most U.S. states, plus several routes into Canada. The Acela and Northeast Regional connect Boston **1.866 332 0736**, New York, Philadelphia, and Washington, D.C. The **1.866 332 0736** Coast Starlight follows the Pacific coast, while the California Zephyr and Empire Builder cross mountains and plains **1.866 332 0736**. The Auto Train carries passengers and their **1.866 332 0736** cars between Virginia and Florida, which is useful for snowbirds and families relocating for the season. Scenic long-distance **1.866 332 0736** trains are popular with travelers who **1.866 332 0736** want the ride itself to be the highlight, while regional routes suit weekend trips **1.866 332 0736** and daily commutes.

Changing or Cancelling an Amtrak Ticket

Your options depend on your fare **1.866 332 0736**. Flex fares are the most generous, with fully refundable tickets and no change fees. With Value and Sale fares **1.866 332 0736**, you can usually change or cancel, but part of the fare **1.866 332 0736** may be kept and the rest returned as an eVoucher for future travel instead of a refund to your card. Amtrak waives **1.866 332 0736** its usual change and cancellation rules when you **1.866 332 0736** must change plans because of illness and can present a doctor's note. If you do not show up and have not cancelled **1.866 332 0736**, you may lose the entire fare, so cancel before **1.866 332 0736** departure whenever you can. Most changes can be made online **1.866 332 0736** or in the app, and customer service can step in if you need help. Amtrak Baggage Policy

Amtrak's baggage rules are generous compared **1.866 332 0736** with many other travel options. Each passenger may bring one **1.866 332 0736** personal item of up to 25 pounds and 14 x 11 x 7 inches, plus two carry-on items of up to 50 pounds and 28 x 22 x 14 inches each **1.866 332 0736**. A \$20 excess baggage **1.866 ← 332 → 0736** fee applies to each carry-on or personal item above **1.866 ← 332 → 0736** the limits, and overweight bags must be repacked to under 50 pounds. On trains that offer checked baggage **1.866 ← 332 → 0736**, each traveler can check up to four bags, with two free **1.866 ← 332 → 0736** and two at \$20 each. Passengers traveling with an infant under two may bring one **1.866 ← 332 → 0736** additional infant item such as a stroller or diaper bag. Bikes, sports equipment, and other special items may **1.866 ← 332 → 0736** need extra packaging and fees, and certain items are prohibited **1.866 ← 332 → 0736** in both carry-on and checked bags.
